Neighborhood Description Royal Oaks is an electronic-gated townhome development situated along SR-44 in central Lake county west of downtown Leesburg and east of the age-restricted (55+) CDD of The Villages. There are very limited similar townhome developments in the area. All units in the PUD are attached cluster or quad townhomes, some with 2-story mansard roofs and some 1-story with shingle roofs. See text addendum.

Market Conditions (including support for the above conclusions) Home values have been stabilizing over the past year due to mortgage rate increases and reduced affordability. The subject's market has been stable (+/-5%) over the past year, per the CMA/1004MC data set and the ORRA trend for SFR properties. There is high demand and rapid growth in surrounding areas despite changing market conditions. See 1004MC for more details.
